Covid Relief Funding Application for Brantford & Brant County Not for profits, charities, and social profit enterprises are eligible

This application template is designed to assist you in preparing a grant request.

Enterprise Brant is a not-for-profit organization funded by the Federal Economic Development Agency for Southern Ontario. We work with partners in the community to plan, initiate, facilitate, manage and administer projects and programs, which support community development initiatives and the creation of sustainable jobs.

The Pandemic has affected all of us and will changed the way we operate going forward as well as our ability to raise funds and hold events that create sustainability for our programs. Enterprise Brant has taken this opportunity to give back to the community. We have set aside \$100,000 to assist not for profits, charities, and social profit enterprises in our community. If you have experienced losses/extra costs/challenges because of the Pandemic, we invite you to share your story and make a request for funding assistance. Funding applications will be reviewed by the Outreach Committee. Enterprise Brant will stop taking applications when the funds are fully allocated.

Our Community Futures Development Objectives are:

Facilitate community strategic planning for all of Brantford and Brant County.

Promote growth in economic sectors such as Business, Manufacturing, Tourism and Technology.

Encourage communication, co-operation and co-ordination between and among groups, agencies and governments.

Promote policies that help create employment and business growth.

This funding is to assist organizations whose income and/or funding is negatively impacted by COVID19 to remain sustainable and have the ability to carry on when they are able to do so.

Enterprise Brant also operates a business investment fund, which enables the corporation to provide loans to eligible individuals, firms and not for profits to start or expand their business thereby creating or retaining employment in Brantford and Brant County.

We are pleased to have the opportunity to provide this special support.
